**The Beatles**

The Beatles were an English rock band that became the most successful group of the 20th century. They contributed to music, film, literature, art, and fashion, made a continuous impact on popular culture and the lifestyle of several generations. Their songs and images carried powerful ideas of love, peace, help, and imagination evoking creativity and liberation. Their ideas contributed to breaking walls in the minds of millions, making a great impact on human history.

In July of 1957, in Liverpool, Paul McCartney met John Lennon. Both were teenagers. Paul impressed John with his mastery of acoustic guitar, and was invited to join Lennon's group, The Quarrymen. George Harrison joined them in February of 1958. In 1959 they played regular gigs at a club called The Casbah. John Lennon dreamed up the band's final name, The Beatles, a mix of beat with beetle. In 1960 The Beatles toured in Hamburg, Germany. There they were joined by Ringo Starr. In Hamburg, The Beatles made their first studio work.

From that moment on, they started giving concerts and recording songs and albums. And they became one of the most popular British bands in the world.

During the sixties, The Beatles not only became a musical phenomenon, they affected the styles and fashions of the decade. They transformed the record industry as well. The Beatles played their last concert at Candlestick Park in San Francisco on August 29, 1966 and their last public appearance was on top of the Apple building on January 30, 1969.

ALL MY LOVING
Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home ev'ry day
And I'll send all my loving to you
I'll pretend That I'm kissing
the lips I am missing
And hope that my dreams will come true
And then while I'm away
I'll write home ev'ry day
And I'll send all my loving to you
All my loving I will send to you
All my loving, darling I'll be true
Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home ev'ry day
And I'll send all my loving to you
All my loving I will send to you
All my loving, darling I'll be true
All my loving, all my loving
All my loving I will send to you.

LET IT BE
When I find myself in times of trouble
Mother Mary comes to me
speaking words of wisdom, let it be.
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom, let it be.
Let it be, let it be.
Whisper words of wisdom, let it be.
And when the broken hearted people
Living in the world agree,
There will be an answer, let it be.
For though they may be parted there is
Still a chance that they will see
There will be an answer, let it be.
Let it be, let it be. Yeah
There will be an answer, let it be.
And when the night is cloudy,
There is still a light that shines on me,
Shine on until tomorrow, let it be.
I wake up to the sound of music
Mother Mary comes to me
speaking words of wisdom, let it be.
Let it be, let it be.
There will be an answer, let it be.
Let it be, let it be,
Whisper words of wisdom, let it be.

ALL YOU NEED IS LOVE

Love, love, love (bis)
Love, love, love

There's nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you can say but you can learn how to play the game
It's easy
Nothing you can make that can't be made
No one you can save that can't be saved
Nothing you can do but you can learn how to be you in time
It's easy

All you need is love (bis)
All you need is love, love
Love is all you need
Love, love, love (bis)
Love, love, love
All you need is love (bis)
All you need is love, love
Love is all you need

There's nothing you can know that isn't known
Nothing you can see that isn't shown
Nowhere you can be that isn't where you're meant to be
It's easy

ELEANOR RIGBY
Ah, look at all the lonely people
Ah, look at all the lonely people

Eleanor Rigby
Picks up the rice in the church where a wedding has been
Lives in a dream
Waits at the window
Wearing the face that she keeps in a jar by the door
Who is it for?

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

Father McKenzie
Writing the words of a sermon that no one will hear
No one comes near.
Look at him working.
Darning his socks in the night when there's nobody there
What does he care?

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

Ah, look at all the lonely people (bis)

Eleanor Rigby
Died in the church and was buried along with her name
Nobody came
Father McKenzie wiping the dirt from his hands as he walks from the grave
No one was saved

All the lonely people
Where do they all come from? (bis)

**HEY JUDE**

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better
And anytime you feel the pain

Hey Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool
Who plays it cool
By making his world a little colder

Hey Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it better
So let it out and let it in

Hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you

Hey Jude, you'll do
The movement you need is on your shoulder

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better.
